

Beaconside Primary & Nursery School

Monday 28th April

Dear Parents/Carers

I am writing to welcome your family to the Beaconside Primary and Nursery School community on behalf of the staff and governing body.

We are very pleased that your child is joining us and feel honoured that you have chosen us for your child's primary school experience. Hopefully, if you have visited us, you will have gained a snapshot of the school we are so proud of.

Whilst it is my priority that the education children receive, here with us, will enable them to achieve their academic potential and progress confidently into the next phase of their education, it is also part of my vision that all our children are filled with positive experiences and are nurtured in order to develop within them a confidence to embrace whatever comes their way. Underpinning the above is my desire that the children of Beaconside will develop the values that will enable them to be good citizens and that will prepare them to deal effectively with the challenges that the modern world presents.

This vision is shared by all of the team here at Beaconside and the staff recognise our children are unique individuals with often very specific talents and needs. They work tirelessly to provide a varied and engaging curriculum and a positive school experience. You'll find our classrooms busy with activity and full of creativity and learning, making Beaconside a special place indeed for all of our pupils.

I appreciate that starting school can be daunting for both parents and children and I would like to take this opportunity to reassure you that our approach to induction will ensure your child, and yourselves as parents, will be supported and this transition will be as seamless as possible.

We will confirm what the induction process will look like soon. In the meantime, attached to this letter is a document regarding school readiness and the things you could be working on at home to help your child prepare for school. Mastering these areas can have a huge impact on a child's ability to access the Reception class provision and we would very much encourage you to work on these areas.

I look forward to working together in partnership.

Yours Sincerely

Mrs Hadley
