Dear Parents/Carers

E-Safety Update

It's the time of year when new devices make their way into homes so we thought it a good time to share information on how to keep your children safe whilst accessing the on-line world.

Attached to this email and on the school website (whole school letters) are the following leaflets:

- Set up safe checklist
- Screen time guidance
- Top tips for keeping children safe on-line
- Parent guides for ages 0-5, 6-10 and 11-13

I can also recommend looking at the following link:

A parent workshop on e-safety will be taking place on the 4th February at 9.30am and repeated at 6.00pm.

Technology and social media are a huge part of everyday life and together we can ensure that accessing the on-line world is a positive and safe experience.

Yours Sincerely

Mrs L Hadley
