1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium allocations and conditions of grant guidance 2025 to 2026](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

Decisions on how the pupil premium grant is used are made considering the ever-changing context of the school and the main challenges and barriers our pupils face. These are often individual to the pupils and their circumstances.

Decisions are evidence based using research findings and resources from [guide published by the Education Endowment Foundation \(EEF\)](#), and from learning and experience of what works in our school.

Decisions are made considering a wide range of need (academic, social, emotional, family circumstances) and take group and individual needs into account.

We engage with parents to take their views on the needs of their child into account when making decisions on spending and provision.

We ensure that all staff promote the principles and ethos of the pupil premium strategy.

Some examples of how the school uses the grant include, but are not limited to:

- Learning Mentor (academic/emotional/family support)
- Providing one-to-one or small-group academic support
- Employing additional staff (TAs/apprentices)
- Running keep-up sessions
- Providing extra tuition where needed
- Funding educational trips and visits
- Funding uniform
- Resources/programmes that meet identified needs
- Therapeutic intervention

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

Our pupil premium strategy is available here:

<https://beaconside.secure-primarysite.net/pupil-premium/>

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception – Year 6.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Previously looked-after children

Pupils recorded in the most recent October census who:

- were looked after by a local authority or other state care immediately before being adopted, or
- left local authority or other state care on a special guardianship order or child arrangements order.

This includes children adopted from state care or equivalent from outside England and Wales.

5.4 Service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

- Making sure methods for allocating and spending ensure that looked-after children benefit without delay
- Working with each looked-after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way
- Demonstrating how pupil premium funding is raising the achievement of looked after children

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.

7. Monitoring arrangements

This policy will be reviewed annually by the headteacher. At every review, the policy will be shared with the governing board.
