

In circa forty three A.D.,
The Romans came from overseas,
And thanks to archaeology,
We know a lot about them.

Chorus

Gonna tell you how to
Eat like a Roman,
Eat like a Roman,
Drink like a Roman,
Drink like a Roman,
Dress like a Roman,
Dress like a Roman,
Think like a Roman,
Think like a Roman,
Pray like a Roman,
Pray like a Roman,
Build like a Roman,
Build like a Roman,
Slay like a Roman,
Slay like a Roman,
Party like a Roman

1.

They were very fond of feasts
And always wanted more to chew up.
With wine and vegetables and beasts,
They stuff'd and stuff'd and then they
threw up.
Rich Romans lik'd to dress with flair,
In togas, cloaks and jewellery,
They would sometimes bleach their hair
With ash and vinegar and wee!

Chorus

2.

They worshipp'd many different deities,
For ev'ry aspect of their life,
Mighty Jupiter was king of these
And Juno was his wife.
The Roman's building work was great,
Their sewage system takes some

beating.
The roads they laid were super straight
And they invented central heating.

Chorus

3.

They excell'd themselves at war
And conquer'd many other nations,
Three hundred thousand troops or more
Took very good organisation.
The Romans lik'd to have a laugh,
(spoken) (ha ha ha!)
Gladiator fights and chariot races,
A visit to the public baths
Would put a smile upon their faces.

Chorus

Gonna tell you how to
Eat like a Roman,
Eat like a Roman,
Drink like a Roman,
Drink like a Roman,
Dress like a Roman,
Dress like a Roman,
Think like a Roman,
Think like a Roman,
Pray like a Roman,
Pray like a Roman,
Build like a Roman,
Build like a Roman,
Slay like a Roman,
Slay like a Roman,
Party like a Roman,
Party like a Roman,
Party like a Roman,
Just like a Roman.
