

Arbor for New Parents

Arbor is a school information system designed to help manage various aspects of school life efficiently. It can assist with attendance tracking, managing pupil and parent information (dietary & medical needs/contact details etc), booking school clubs and trips, ordering meals and communicating with parents via email and app messaging.

We use the Arbor Parent Portal and Parent App, and have set up an account for you.

To finish creating your account you just need to set a password. Your username is the email address we've sent this email to.

Go to <https://login.arbor.sc> and click **Forgot your password?** to finish setting up your account.

The Parent App can then be downloaded from either the Playstore on android phones or the Apple Store on iPhones.

You **can not** log into the Parent App **until** you have created your account, using the link above.

If you have any queries please refer to the documents below or contact office@beaconside.worcs.sch.uk
